

2026 GMX SPONSORSHIP OPPORTUNITIES

WHO WE ARE

GMX Inc. is a non-profit organization in Grunthal, MB that is deeply rooted in the passion and camaraderie of the motocross community. Our track is run by volunteers who enjoy helping to create and maintain the facilities just as much as they do using them. Our goal is to promote motocross and provide a safe, inclusive, and fun environment for all those who are or want to be involved.

OUR PARTNERSHIPS

In addition to the countless hours our volunteers put into the track, facilities, and making sure everything is up to par, our sponsors play a key role in allowing us to continue running as we do. We provide an excellent opportunity for sponsors to display their brand in prominent locations around the track that are visible by the thousands of spectators, riders, and families that attend our weekly practices, race weekends, and training classes throughout the year.

In addition to signage around the track we also promote our sponsors through our social media pages as well as our website

IN-KIND SPONSORSHIPS

We have many needs throughout the season for equipment, goods, and services. If you would like to make any of those available to us please reach out and we will discuss a value as well as match it up to the appropriate level of sponsorship.

THE INNER WORKINGS

GMX will provide any signage or promotional materials applicable to the individual sponsorship at our cost. We will require a company logo in vector format to provide our print shop.

Sponsors will appear on the Grunthal MX website, Facebook page, and Instagram page throughout the year after sponsorship is paid in full.

Our practices will run weekly throughout the riding season rain or shine. If, for any reason the track conditions are deemed unsafe to ride by GMX staff, a practice may be cancelled until resolved. We are holding two race weekends in the 2026 season and are planning on hosting at least one rider clinic. Sponsorships are non-refundable.
